## Claims Made Policy

Please note the Professional Indemnity & Management Liability sections of the Policy are offered on a Claims Made basis. Claims Made means that the Professional Indemnity & Management Liability section covers you for Claims made against you during the Period of Insurance specified in your Policy Schedule and notified to us during that Period of Insurance.

This means that the Professional Indemnity & Management Liability sections do not provide cover in relation to;

- Events which occurred prior to the same Period of Insurance or any earlier retroactive date stipulated in the Policy Schedule;
- Claims made against you after the expiry of the Period of Insurance even though the event giving rise to the Claim may have occurred during the Period of Insurance;
- Claims the possibility of which was intimated in any way prior to the commencement of the Period of Insurance;
- Claims rising from or attributable to any facts, circumstances or occurrences noted on the proposal for the current Period of Insurance or for any prior Period of Insurance or of which notice had been given under any previous policy;
- Claims rising from or attributable to any facts, circumstances or occurrences of which you were aware and knew (or ought reasonably to have realised) prior to the commencement of the Period of Insurance may give rise to a Claim.

For the purposes of the Professional Indemnity and Management Liability sections, a Claim means; any

- a. written or verbal demand for compensation or damages or other relief; or
- b. a civil proceeding seeking compensation or damages or other relief; or
- c. any criminal charge brought against You alleging a Wrongful Act; or
- d. a notice of charge, formal investigation order or notice requiring You to attend an inquiry or other proceedings ordered by an Inquiring Body.

As explained above, the Professional Indemnity section, by its terms, does not provide cover for Claims made after the expiry of the Period of Insurance cover provided by the Policy.

Section 40(3) of the Insurance Contracts Act 1984 (Cth) applies to certain contracts of liability insurance (including Sections 2 & 3 of this Policy) and states 'Where the insured gave notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of the insurance cover provided by the contract where the insured has given notice in writing to the insurer;

- of the facts that might give rise to a claim against the insured
- as soon as was reasonably practicable after the insured became aware of those facts, and
- · before the expiry of the Period of Insurance.
